Persistence

Nothing in the world can take
The place of Persistence

Talent will not
Nothing is more common than
Unsuccessful men with talent

Genius will not
Un-rewarded genius is almost a proverb

Education will not
The world is full of educated derelicts.

Persistence and determination
Alone are omnipotent

The slogan "press on" has solved and
Always will solve the problems of the human race

Promise Yourself

Promise yourself to be so strong that
Nothing can disturb your peace of mind
To talk health, happiness and prosperity to
Every person you meet
To make all your friends feel that
There is something special in them
To look at the sunny side of everything and
Make your optimism come true
To think only of the best
To work only for the best and
Expect only the best
To be just as enthusiastic
About the success of others
As you are about your own
To forget the mistakes of the past and
Press on the greater times and
Give every living creature you meet a smile
To give so much time to the improvement that
You have no time to criticize others
To be too large for worry, too noble for anger,
Too strong for fear and
Too happy to permit the presence of trouble.

- Christian D. Larson -
